

CITY OF LEBANON 2025 FALL YARD WASTE COLLECTION SCHEDULE

Collection shall commence Monday, October 20, 2025 at 7:00 AM

The collection period will be for one week only in length, ending Friday, October 24, 2025

CITY RESIDENTS ARE TO PLACE ALL YARD WASTE CURBSIDE BY 7:00 AM, MONDAY, October 20th

No yard waste can be placed curbside before Friday, October 17, 2025.

No additional materials may be placed curbside for collection after **Monday, October 20th 7AM.**

City crews will be working the entire collection period collecting yard waste through Friday, October 24th.

Please do not block the storm sewers when placing items curbside for collection.

In case of rain, to help prevent the chance of materials clogging the storm sewer drains do not place materials curbside before or after the city collection schedule. Yard waste materials must be placed in the street, **1 foot from the curb** for collection. Vehicles must be parked at least 10 feet from the yard waste piles to allow room for city equipment to maneuver while cleaning up the yard waste.

Collection will only include hedge trimmings, branches and garden residue. Branches must not exceed 3" in diameter and must be cut to no more than 6 feet in length. Branches longer than 6 feet in length, cannot be accepted. The amount of yard waste per household permitted for collection will be comparable to **one pick-up truck size load**. Material exceeding this maximum allowed amount or size described will not be collected.

The crews will make one pass by each street. If you miss this collection pass, we will not return and recommend residents to consider purchasing an access card for the Yard Waste Recycling Facility to dispose of your yard waste.

Please note: Charges will apply for street collections outside of the scheduled Fall Yard Waste Collection period.

Piles of leaves (collected at separate time), lawn grass, ornamental grass and non-organic materials **will not be picked up.**

For unlimited drop off access to dispose of your yard waste outside the city collection periods, residents can request a green waste access card to the City's Green Waste Yard that is located at: 893 N. 8th St. Lebanon. You may purchase access cards at the Dept of Public Works. The initial fee for an access card is \$40.00; there is a \$35.00 renewal fee yearly.

Questions concerning this program may be directed to the Department of Public Works at 717-639-2800, Ext 404
735 Cumberland Street (2nd Floor), Lebanon, PA 17042. Thank you for your cooperation
